

CURRICULUM VITAE
JEAN-BERNARD FORTILLAN

Born October 7, 1943
33000 BORDEAUX – France

NAME : Jean-Bernard FORTILLAN, Ph. D.

PROFESSIONAL STATUS : Chemical Engineer, Pharmacist
Hospital Resident Pharmacist,
Professor of Medicinal Chemistry and
Pharmacokinetics at the Faculty of Medicine and
Pharmacy of University of Poitiers
Expert Pharmacologist-Toxicologist specialized in
Pharmacokinetics with AFSSAPS (now ANSM)

CURRENT POSITION: Honorary Professor of Medicinal Chemistry and
Pharmacokinetics at the Faculty of Medicine
and Pharmacy of University of Poitiers
Honorary Hospital Resident Pharmacist
(Libourne and Poitiers)

EDUCATION :

SESSION :

1. Upper Studies Certificate of Mathematics, Physics and Chemistry, June 1963
2. Entrance competitive examination at National Higher School of Chemistry of Bordeaux, July 1963
3. General Chemistry I, June 1964
4. Experimental Physics, June 1964
5. Organic Chemistry, June 1964
6. General Chemistry II, June 1965
7. Inorganic Chemistry, June 1965
8. Graduate in Physical Science, June 1965
9. Organic Chemical Engineering, June 1965
10. Physical Methods of Chemistry, June 1965
11. Physical Chemistry, June 1965
12. Applied Physics, June 1966
13. Inorganic Chemical Engineering, June 1966
14. Chemical Engineer Diploma of National Chemistry Higher School of Bordeaux (Promotion 1966)
15. Competitive examination of Pharmacy Internship in Bordeaux Hospital, 1968
16. Graduate Pharmacist of the School of Pharmacy of the University of Bordeaux, June 1970
17. Higher doctoral Thesis : « Chemical and Pharmacodynamic studies of some organosiliceous hydrosoluble derivatives », 1971. Thesis made within the scope of the Research Unit of Cardiology (INSERM – Unit 8) in collaboration with Professor BRICAUD and Professor DALLOCHIO
18. Passed the Agregation of Medicinal Chemistry competitive national examination, February 1972

19. Diploma of Hospital Resident Pharmacist following the National Pharmacopat Competitive Examination, December 1974

PROFESSIONAL EXPERIENCE :

- A. Organic Chemistry Assistant at Bordeaux School of Pharmacy, from 1968 to 1972
- B. Pharmacy Internship in Bordeaux Hospital, from 1968 till 1972
- C. Professor of Medicinal Chemistry and Pharmacokinetics at the Faculty of Medicine and Pharmacy of Poitiers, from September 1972 till September 2008
- D. Clinical Research Bordeaux, Hospital Attaché (Laboratoire de bactériologie, Professeur DULONG de ROSNAY), from 1972 till 1973
- E. Hospital Resident Pharmacist, Libourne Hospital from 1974 till 1978
- F. Hospital Resident Pharmacist, Poitiers Hospital (CHU Jean BERNARD) from 1978 till 1981
- G. Toxicologist Expert specialized in Pharmacokinetics, to the French Health Ministry, since 1978
- H. Responsible of the Institute of Chromatography and Mass Spectrometry applied to Clinical Pharmacy Research Center (CROSMAPHAC), Poitiers from 1978 till 1980
- I. Scientific Manager of CEROM Research Center, Poitiers from 1981 till 1985
- J. Scientific Manager of CEPHAC Research Center, Poitiers from 1985 till 1987
- K. Scientific Manager of CEMAF Research Center, Poitiers from 1988 till 1999. CEMAF was sold to PAREXEL INTERNATIONAL in September 1999
- L. Senior Director of PAREXEL-CEMAF CPRU, and Vice-President of PAREXEL Worldwide Bioanalytics from September 1999 till September 2001

PUBLICATIONS :

More than 400 publications in international reviews (including short presentations, and 15 drugs patents between 1994 and 2015)
